++ Valid for broadcast between 1800 and 0600

Headline:
Sunny and very warm on Tuesday.

This Evening and Tonight:
It will be a dry evening with variable cloud and some clear intervals. Some longer clear spells later tonight but fog patches forming, perhaps becoming widespread in the east. Very mild and winds light. Minimum temperature 13 deg C (55 deg F).

Tuesday:
Low cloud and mist burning back to Irish Sea coasts where some may linger, otherwise a fine dry day with long sunny spells. Becoming very warm. Maximum temperature 25 deg C (77 deg F).

Outlook for Wednesday to Friday:
Mostly dry with bright or sunny spells on Wednesday, although heavy showers possible later. Some heavy, thundery showers around on Thursday. Cooler and cloudier on Friday with patchy light rain.
